Flabergasted year 2 !

£3

On the 30th of January we found rainbow coloured dragon eggs. The year 2 pupils at Elmhurst school were shocked. First dragons saw the glass window and flew through the window. After they messed up some books and ripped them and burnt all the books.

Then a pupil called Tristan dicovered the devistated classroom and told everyone luckily we were calm and we carried on with our work.

year 2 set traps for the dragon. Year 2 put out some smelly cheese and biscuits we will try and get back to you soon.
