

11+ Exam and Secondary Preparation

At Elmhurst, we provide a rich and balanced curriculum so that our boys develop the necessary skills, knowledge, character and confidence to excel both from an academic and pastoral perspective. Our comprehensive transition programme prepares Elmhurst boys for their 11+ exams, and for life at Secondary School and beyond.

Our weekly timetable includes carefully targeted daily teaching in Maths and English, and discrete Verbal Reasoning and Non-Verbal Reasoning lessons, for individual stretch and challenge.
