Our policies and procedures provide our staff with the necessary guidance and support to ensure the welfare and care of the children who attend our holiday camp. They also assist camp staff when making decisions to offer both consistency and fairness.

These policies and procedures work alongside all established school procedures and are reviewed annually.

1. Attendance Policy

a. Admission and Cancellation

- *Bookings:* 30 places are available which will be allocated on a first come, first served basis. Bookings should be made on Magic Booking for Elmhurst children. For non-Elmhurst children, parents / carers should complete the [online form](#). If there are no places available, the child will be placed on a waiting list and the parent / carer informed when a place becomes available.
- *Cut off dates:* We operate a 24-hour cut off period for each Holiday Camp day session to ensure activities and resources are adequately prepared to cater for the number of children attending on the day. It also means we have the appropriate number of activity coordinators on site to ensure your child is safe and supervised to the high standards Elmhurst strives to provide at all times. Unless there are exceptional circumstances, late bookings will regrettably incur an additional £5 charge.
For new children who wish to come back the next day, we ask the parent / carer to contact the Holiday Camp Manager as soon as possible. Next day booking will depend on the number of children already attending the session. We will try our very best to help you book the session you require but we cannot guarantee there will be a space for your child.
- *Cancellations:* Once a place is booked these allocated days will be charged for unless you contact Holiday Camp to cancel the place for that day before 1.00p.m. Any cancellations after this time will be charged at the normal rate.

b. Drop off and Collection

- *Drop off:* Our team will greet each child on their arrival at the camp and will record the child's attendance in the daily register, including the time of arrival. They will also record the time of collection. Children must be collected by an adult who has been authorised on the registration form.
- *Password:* If the parent/carer requires another person to collect their child, they must inform the holiday camp in advance and provide a description of the person and a password that they will use. If the Camp Coordinator has any concerns regarding the person collecting, he/she will contact the main parent or carer for confirmation. For the welfare of the child, the child will not be released from the holiday camp until the parent / carer on the registration form has been contacted.
- *Late collection:* The parent /carer is asked to provide at least two contact numbers and must notify Holiday Camp if they will be late collecting their child after 17h (or 18h if they opted for extended pick up). Attempts will be made by the Camp Coordinator to contact the child's parent(s) /carer(s) in sequence using the contact numbers provided on the registration form. Members of staff will stay with the child until they have been collected by an authorised parent / carer. If over 15 minutes late, the Camp Coordinator will try to contact them and will leave a message if there is no response from the parent or carer. Over half an hour, if contact with the parent / carer has not been established, then the Holiday Camp Manager will contact the police to explore reasons why they may have failed to make contact and take advice from them for further action. A discretionary late pick-up charge of £15 to apply every 15mins to cover the additional staffing cost. Holiday Camp reserves the right to refuse future bookings from parents who continually pick up late.

c. Settling

- Holiday Camp will work to ensure that children settle quickly and easily. We want children to feel safe, stimulated and happy at Holiday Camp whilst feeling secure and comfortable with staff. Consideration will be given to the individual needs and circumstances of children and their families. Parents / carers are welcome to visit Holiday Camp with their children before booking a space or contact the Holiday Camp Manager for further information at holidayclub@elmhurstschool.net

d. Absences

- If a child is going to be absent, the parent /carer must notify Holiday Camp to allow us to update our records.

- e. Missing child
 - In the event of a missing child, the Head will be informed and the [missing child policy](#) will be followed.

2. Safeguarding Policy

3.

a. Introduction

- *Our Aim:* To ensure that Holiday Camp maintains the highest possible standards to meet its responsibility to protect and safeguard those children for whom it has responsibility. This policy details the procedures to be followed when there is concern about a child's welfare. It also provides information to ensure that members of staff do not put children at risk. It is designed to protect both those in a position of trust and those for whom they have responsibility.
- *Our Commitment:* to maintain a 'culture of safety' in which the children in our care are protected from abuse and harm. Holiday Camp will respond promptly and appropriately to all incidents or concerns of abuse that may occur. The Holiday Camp's child protection procedures comply with all relevant legislation and with guidance issued by the relevant local bodies.
- The school's safeguarding policy can be found [here](#) and details the procedures followed.

b. All holiday camp staff will use school procedures to log any incident.

- All information about the suspected abuse or disclosure must be recorded by logging a concern form on iSAMs or Myconcern as soon as possible after the event.
- The record should include:
 - A verbatim record of the child's disclosure. Therefore, the record must be drafted in the child's words and should not include the assumptions or opinions of others.
 - A nature of the allegation or concern
 - A description of any visible physical injury (clothing should not be removed to inspect the child)
 - The child's account of what has occurred
 - Any dates, times or places and any other potentially useful information
 - A date and signature of the person who recorded the information
- The record will be given to the duty designated safeguarding lead who will decide on the best course of action in response to the situation.
- Holiday Camp staff are expected to report any incidents to the Holiday Camp Manager.

c. Role of the parent /carer

- The parent / carer must report any existing injuries to their child to a member of staff and fill in an existing injuries form prior to leaving their child in Holiday Camp.

d. Use of mobile phones and cameras

- Written consent via Magic Booking for Elmhurst children or on the online booking form for non-Elmhurst children must be obtained from the parent/ carer before photographs or videos of children will be taken or used for online and offline marketing purposes.
- Camp Coordinators will ensure that children are at ease and comfortable with images and videos being taken.
- Every effort will be made by Holiday Camp to prevent capturing of the image of any child who should not be identified. A list of all such children is included in the Holiday Camp register.
- Child's mobile phones or any other electronic equipment should not be brought to Holiday Camp.
- The use of a mobile phone by staff must not detract from the quality of supervision and care of children.

Children should also be provided with a mid-morning and afternoon snack for break times
 - At lunch time children will be supervised at all times whilst eating and will be encouraged to eat what is in their packed-lunch or lunch provided by Holiday Camp. Children should not be forced or punished in any way for not eating what is in their lunch-box. Parents should apply sunscreen before bringing the pupil to camp. Only where deemed necessary should parents send in suitable sunscreen for their children, which should be labelled with the pupil's name.
- Camp Coordinators will actively encourage all children to wear a hat when they play outside. On hot days camp leaders may stop a child playing outside if no suitable hat has been worn.

 - If appropriate the Activity Coordinator or Holiday Camp Manager will contact the emergency services. In the event of fire, the person discovering the fire must immediately sound the alarm.
